GA Floor Seating Information Sheet
October 2, 2009

The General Admission "GA" line will queue along the West Walkway of the TD Garden as indicated by the signs stating "GA Ticket holders Line." The GA line will exclusively enter the TD Garden through the stair tower entrance north of the Boston Bruins Pro Shop.

GA ticket holders may begin lining up at 8:00 AM on the day of the show. (Please do not attempt to line-up over night; this queue area is not TD Garden owned property.)

Upon arrival, each GA ticket holder will have a sequentially numbered wristband placed on his or her right wrist. Wristbands will be distributed on a first come, first serve basis. Once a GA ticket holder has their wristband, they may remain in the line or leave the area. **BUT**, all GA ticket holders with wristbands must be lined up in sequential order by 5:00 PM (this will be enforced).

Only GA ticket holders with a valid GA ticket in their possession will be permitted in the line.

Only GA ticket holders may hold and secure their place in line. "Place holders" will not be permitted after 5:00 PM line-up begins.

The wristband must remain on the GA ticket holders right wrist at all times. They also must be in possession of a valid ticket. Any GA ticket holder found with a tampered wristband will have that wristband confiscated, and the GA ticket holder will lose their sequential place in the line.

GA ticket holders will be admitted into the TD Garden in sequential order once the doors are opened (scheduled for 6:00 PM for GA ticket holders). All patrons will be searched; tickets will be scanned, marked and torn upon entry.

Note: The floor level portal at the rear of the floor will be the most convenient restroom and concession area for GA floor ticket holders. It will be clearly marked.
